## **Welcome to UPMC Advantage**

The University of Pittsburgh Medical Center (UPMC) has a well-established national reputation for quality. Its hospitals and facilities are being made available to you as a distinct network — the UPMC Advantage Network.

With UPMC Advantage, you will always receive the highest level of benefits when you use UPMC facilities and services. With UPMC Advantage, you get high-quality choices at a low-cost option.

In this UPMC Advantage Network directory, you will find the health care facilities owned by UPMC. In addition to hospitals, UPMC facilities include rehabilitation centers, home health care, durable medical equipment, and a range of other services. The directory also lists other Advantage network providers who have received credentials from UPMC Health Plan.

Regardless of the plan you select, you will still have full access to any physician in the Health Plan's network of more than 7,600 doctors.

We trust you will agree that UPMC Advantage's combination of these fine physicians, the Advantage network, and competitive pricing creates an attractive option for you and your family.
