

UPMC Health Plan

2010 Regional Meetings

Overall Goal:

This 2010 Regional Meeting Series is a forum for health care professionals to explore and exchange ideas for enhancing patient care when utilizing the ever-expanding presence and applications of electronic communication.

Agenda Items:

- ▶ 7:30am: Registration & Continental Breakfast
- ▶ 8:00am: Introductions
- ▶ **Provider On-Line & Security Officers (SO):** Coming soon – Enhancements to the secure provider portal, raising the importance of the Security Officer role. See “Workshop” below.
 Availability of Chat: On-line web interface, allowing real time communication with Provider Services.
- ▶ **Partners Program Gaps in Care:** Prospective, member-centric identification of real time gaps in care - Available soon via the Secure Provider Portal.
- ▶ **EHR (Electronic Health Record):** Learn important information regarding EHR implementation and attaining Meaningful Use (MU) so as to take advantage of significant Federal incentive dollars.
- ▶ **Radiology Decision Support Tool (“Radport”):** Provider On-Line access to evidence-based assistance in selecting the best radiology test – Available soon.
- ▶ **“Workshop”:** On-site today: Assistance with completing the above Provider On-Line login process.
