### 3. SELECT A UPMC *for Life* PREMIUM PAYMENT OPTION

We will send you a bill each month which you can pay by check, Electronic Funds Transfer (EFT), or credit card. You can also choose to pay your premium by automatic deduction from your Social Security benefit check each month.

**I would like to pay my monthly plan premium (if applicable) by:**

Check       EFT       Credit Card

**If you elected to pay your premium by credit card or EFT, please complete the enclosed Payment Election Form and return it with your application.**

**Automatic deduction from my monthly Social Security benefit check.**

*(The Social Security deduction, if approved, may take two or more months to begin. In most cases, the first deduction from your Social Security benefit check will include all premiums due from your enrollment effective date up to the point withholding begins.)*

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance.

Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY/TDD users should call 1-800-325-0778. You can also apply for extra help online at [www.socialsecurity.gov/prescriptionhelp](http://www.socialsecurity.gov/prescriptionhelp).

**Note:** If you qualify for extra help with your Medicare prescription drug coverage costs and Medicare only pays a portion of your plan premium, we will bill you for the amount that Medicare doesn't cover.

# UPMC *for Life* Rights and Responsibilities

By completing this enrollment application I agree to the following statements:

- (a) **I understand that if I am a member of a Medicare Advantage Plan (like an HMO or PPO), I may already have prescription drug coverage from my Medicare Advantage Plan that will meet my needs.** By joining UPMC *for Life* Prescription Drug Plan (PDP), it means that membership in my Medicare Advantage plan may end and this will affect both my doctor and hospital coverage as well as my prescription drug coverage. I don't have to do anything to cancel membership in my Medicare Advantage plan. By joining UPMC *for Life* PDP, I will now get my health care from Original Medicare or a PFFS plan and Medicare prescription drugs from UPMC *for Life* PDP.
- (b) I understand that if I currently have health coverage from an employer group or union, joining UPMC *for Life* PDP may change how my current coverage works. I could lose my employer group or union health coverage if I join UPMC *for Life* PDP. I will read the communications my employer group or union sends me. If I have questions, I will visit their website or contact the office listed in their communications. If there is no information on whom to contact, I will contact the plan benefits administrator.
- (c) UPMC *for Life* is a Medicare drug plan and has a contract with the federal government. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare Part A or Part B coverage. It is my responsibility to inform UPMC *for Life* of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare Prescription Drug Plan at a time. If I am currently in a Medicare Prescription Drug Plan, my enrollment in UPMC *for Life* PDP will end that enrollment.
- (d) I understand that enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes **ONLY** if an enrollment period is available, generally during the Annual Enrollment Period (November 15 – December 31), unless I qualify for certain special circumstances.
- (e) I understand that if I leave this plan and do not have or get other Medicare prescription drug coverage or creditable coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.
- (f) UPMC *for Life* PDP serves a specific service area. If I move out of the area that UPMC *for Life* serves, I need to notify the plan so I can disenroll and find a new plan in my new area.
- (g) Once I am a member of UPMC *for Life* PDP, I have the right to appeal plan decisions about payment or prescriptions if I disagree. I will read the Evidence of Coverage document from UPMC *for Life* when I receive it to know which rules I must follow in order to get coverage.
- (h) I understand that I must use network pharmacies except in an emergency when I cannot reasonably use a UPMC *for Life* network pharmacy. If I use an out-of-network pharmacy, I may have to pay the full cost of the prescription at the point of sale and will need to submit a paper claim for payment.
- (i) I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with UPMC *for Life*, he or she may be paid based on my enrollment in this plan.
- (j) Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug Plan options, as well as medical assistance through the state Medicaid (Medical Assistance) program and the Medicare Savings Program.
- (k) I understand that a UPMC *for Life* representative is required to call me within ten days of UPMC *for Life* receiving this application to verify my enrollment in the plan. I will indicate which phone number UPMC *for Life* should use at the time I sign and date this application on page 6.
