UPMC Health Plan's Medicaid HMO was rated the nation's fifth-best, according to a new study by the National Committee for Quality Assurance in partnership with U.S. News & World Report. UPMC Health Plan was the only local insurance provider ranked in the top 10 for Medicare, Medicaid or commercial managed care plans in the study, which examined more than 500 health plans nationwide. UPMC Health Plan's overall score was 89.9 (out of 100), with five-star (the survey's highest ranking) ratings for access to care, overall member satisfaction and illness prevention.
