UPMC Health Plan and Titusville Area Hospital reached an agreement that adds Titusville Area Hospital to the Health Plan's growing network of contracted facilities and physicians.

Titusville Area Hospital is now a participating provider of all UPMC Health Plan commercial products, as well as for its Medical Assistance product, UPMC for you. The hospital, an 83-bed acute care facility, is located at 406 W. Oak St. TAH has been ranked among the top 100 hospitals in the country.

UPMC Health Plan, a leading health care benefits company located in Western Pennsylvania, is backed by the University of Pittsburgh Medical Center (UPMC), one of the nation's top-ranked health systems.

As part of an integrated health care delivery system, UPMC Health Plan partners with UPMC to improve clinical outcomes as well as the health of the greater community. The UPMC Insurance Services Division — which includes UPMC Health Plan, UPMC for You, Community Care Behavioral Health, and Employee Assistance Program (EAP) — serves more than 670,000 members through a network that includes UPMC providers, as well as affiliated hospitals and physicians, totaling more than 80 hospitals and more than 7,000 physicians in a 28-county region.
