| <b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b> | Participating <u>Provider</u> : <b>\$8,150 Person/ \$16,300 Family</b>   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. ## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
